Instructions for How to Print Alphabet Strips

The personalized Alphabet and Name Strips are meant to be used on a student's desk to provide a model of correct letter formation for letters, numbers, and the student's name.

There are three Alphabet and Name Strips to choose from:

- Lower and Upper Case Letters & Numbers 1-20
- Lower Case Only
- Upper and Lower Case Letters

How to Print For Correct Sizing:

- Click on the "Landscape" Orientation option before printing

Lamination of the strips will allow for reuse.
